

Mitchell Creek Marina

Volume 1, Issue 3

March 2011

Cell Phone Coverage

Verizon Wireless

This season we will have full Verizon cell phone service within a 5,000 square foot radius of the marina store. Only 8 phones at a time will work using this new feature we purchased to give you an area with full cell phone coverage! We're happy to offer this amenity to you!

Dock News

New gazebos with sitting areas have been placed throughout the entire marina facility. The gazebos are finished with blue roofs and a bench overlooking the pristine waters of Dale Hollow Lake. Enjoy a relaxing afternoon watching the sunset or just get some shade from the upcoming summer sun! We hope you enjoy this new amenity we have to offer!

Water Wheel Project: They are almost completed! We have been working on rebuilding our waterwheels on the side of the store. They dry rotted and we had to rebuild them out of metal.

Also, we have recently remodeled cabins 9 & 10 in case you or a family member would like to rent them!

Security

In progress for the 2011 season.

To keep you and your family safe and worry free, we have been working on a plan to install security cameras in various areas of the marina. Another idea we are working out is having a security guard on the premises. No details have been finalized. More information will be available in our next newsletter.

Dock Directories

We have a contact list for each dock available! For confidentiality reasons, we ask that you let us know we can release your name and phone number to those who dock with you. This means everyone on C dock would have a contact list of a name, slip number, and phone number in case the need were to ever arise that they may contact you about your boat. Please let us know if you do NOT want us to give out that information. Otherwise, your directory will be in the mail soon!

Slip Payments

Don't forget moorage payments for the 2011 season are due on April 1st! Any payments made after April 1st will be considered late. Make sure to get your payment in today!

INSIDE THIS ISSUE

- 1 Cell Phone Coverage
- 2 Security
- 3 Opening Date
- 4 Dock News
- 5 Wifi
- 6 Friends of Dale Hollow
- 7 Water Safety
- 8 Slip Payments

Wireless Internet

You should be able to pick up wireless internet around the marina. I have had some feedback that the wifi is not picking up on certain docks. To fix this problem, Twin Lakes is in progress of getting wifi to everyone at the marina! Hopefully it will be up and running for all relatively soon!

Friends of Dale Hollow Lake

The Friends of Dale Hollow Lake, Inc. is a not-for-profit organization dedicated to the protection and conservation of Dale Hollow Lake and support of the U.S. Army Corps of Engineers. Anyone who is interested in becoming a member is welcome to do so! Help keep Dale Hollow Lake clean, join today!

They have Dale Hollow Lake license plates for sale also. You can come to the store for more information or by visiting <http://www.friendsofdalehollowlake.com/>.

Grand Opening – April 15th

Don't forget to come check out all of our new items in the store April 15th! First 10 customer's will receive a new tote! Also, for all of our wonderful slip owners, we are offering you a special 10% discount on everything in the store and food court. (Gas not included) This is to give you, our VIP's a special discount on anything your heart desires in our marina facilities. Come on in the store for more details! ❖

New Website

We are working on rebuilding our current website! With our new website, we will also have an online store! Our date to launch the new site is March 15, 2011! Check it out! Also, if you are on facebook, you can like us and keep updated on what's happening at the marina! Check us out at <http://www.facebook.com/mitchellcreekmarina/>

Pump Outs

The pump out binders with documentation papers has been installed on each dock beside the pump out station! Please remember your pump outs have to be documented. Don't forget to record your name, date, and volumes pumped each time you pump out your boat!

WATER SAFETY TIPS

Since construction, 128 drownings have occurred on Dale Hollow Lake. Of these fatalities, zero were wearing life jackets. The staff at Dale Hollow is committed to sharing the water safety message to our visitors. Help us eliminate useless drownings! Support the Coast Guard's life jacket wear initiative and wear your life jacket when boating, swimming or in and around the water.

Simple tips that could save your life or that of someone you love:

- Learn to swim
- Always swim with a buddy
- Swim in designated areas
- Don't rely on beach toys; they are not designed to save lives
- Never dive or jump into waters
- Wear a life jacket if you can't swim or if you are just learning to swim.
- Know your boat; each boat has its own purpose. Make sure you use your boat properly
- Always wear a life jacket while riding on a boat
- Don't go on the boat if the operator has been drinking alcohol: Booze and boats just don't mix!
- Ride a Personal Watercraft only with an experienced adult driver
- Don't stand while a small boat is moving
- Don't sit on the gunwales or bow of a moving boat
- Know your state's laws governing boating and fishing
