

Mitchell Creek Marina

June Newsletter

Special events this summer...

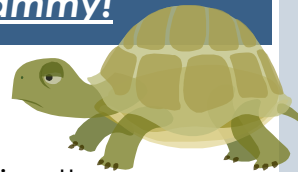

- June 3 – Clean Marina Celebration
- June 3 & 4 – TWRA Boating Education Classes
- June 2 & 3 – Our 2nd annual “Rock the Dock” Celebration! Fireworks on the 3rd. Check website & facebook for updates.

“We are thankful to each and everyone of you. Thank you for letting us become a part of your family! Have an awesome summer, as always if you have any ideas or suggestions, let us know!”

Sandy Davis saves the turtles! Sandy was found Saturday morning walking her dog Sammy, when she ran across a baby turtle struggling to get to the water. Sandy safely led it to the water where it now lives happily. She noticed several baby turtles had gotten ran over, but, her and her dog Sammy rescued as many as they could.

Way to go Sandy & Sammy!

Beach & Splash Pad Update

How about the new painting on the splash pad?! We are very excited to get our beach area re-sanded and are now offering the splash pad open and free of charge. The splash pad will be automatically turned on for 5 minutes every hour. This allows the kids to play a while in the splash pad then swim time at the beach! We have roped off a barrier to keep

boats from entering the beach area. Please keep off the rope, and remember no jumping from the bridge. It's very dangerous and there are lots of anchors and lines you could get hurt on. Also, remember kids, wear your life jacket! Everyone is swimming at their own risk because we do not have a life guard! Have fun splishin and splashin!

New: The wall between the store and food court has been taken down. Restrooms will remain open on the hill at all times and as long as there is no vandalism the restrooms on the dock will be open as well!

A group from the D Dock enjoys the Mitchell Creek Waterfall!

PHOTO CONTEST

We want to see your photos! Submit your lake/dock photos to April at april@mitchellcreekmarina.com! 1st, 2nd, & 3rd place winners will get gift cards to the marina!

Reminder: Leash Law

We love our pets! We have had several more complaints about dogs running loose. Please remember to respect others by not allowing your pets to roam onto others boats. Also, remember to keep them on a leash. This is a state law. Thank you!

Quiet Time

We have been asked to post the following in the newsletter by several houseboat owners. Please be considerate of others on your dock with noise control. Some folks like to sleep and would like everyone to consider toning down the noise a bit after 11 P.M. We just ask that you please be considerate of your neighbors. Thanks!

I hereby give permission to the Tennessee Wildlife Resource Agency to contact me in the future about my experiences wearing this life jacket. I hereby give permission for my name to be used in connection with the Wear It Tennessee! Campaign. Since construction, 128 drownings have occurred on Dale Hollow Lake. Of these fatalities, zero were wearing life jackets. The staff at Dale Hollow is committed to sharing the water safety message to our visitors. Help us eliminate useless drownings! Support the Coast Guard's life jacket wear initiative and wear your life jacket when boating, swimming or in and around the water.

Simple tips that could save your life or that of someone you love:

- Learn to swim
- Always swim with a buddy
- Swim in designated areas
- Don't rely on beach toys; they are not designed to save lives
- Never dive or jump into waters
- Wear a life jacket if you can't swim or if you are just learning to swim.
- Know your boat; each boat has its own purpose. Make sure you use your boat properly
- Always wear a life jacket while riding on a boat
- Don't go on the boat if the operator has been drinking alcohol: Booze and boats just don't mix!
- Ride a Personal Watercraft only with an experienced adult driver
- Don't stand while a small boat is moving
- Don't sit on the gunwales or bow of a moving boat
- Know your state's laws governing boating and fishing

LIFE JACKETS FLOAT—YOU DON'T!

Meet our Staff

Hi! I am Megan Nivens and this is my first year working in the marina store. I graduated from Livingston Academy in 2010. I am now enrolled at Volunteer State Community College studying to become a physical therapist assistant. I love softball and seeing smiling sun burnt faces! Please come visit us at the store! My favorite item in the store is the new Bomber floating sunglasses!

Meet our Staff

My name is Rena Hensley. This is my fourth summer at Mitchell Creek. I love working on the dock and being a part of our customers vacations! I am currently working on my dental hygiene degree. See you all in the store this summer! My favorite item this month is our new tie dye t-shirts...to bring some color into your life!
